

K-Love is such a blessing to me and my kids ages 14 and 12. It provides a lot of inspiration through out the day and it enables me to be informed of what's going on in my community in area churches and promotes concerts of Christian Artists that come to town. K-Love provides my children descent music to listen to instead of all the rock stations that are out there. K-Love is a great alternative music station to listen to that uplifts and compliments our faith. There is no other Christian station in this area that could compare to K-Love, they play all the great new updated Christian songs and let's us be informed of any new Christian Artists that come on the scene. K-Love would be GREATLY missed if taken off the air. I remember when I first discovered K-Love in our area, it has been the only station that my children and I listen to ever since we discovered it! We love everything about it. Please keep K-Love on the air! Thank you so very much! May God bless you for keeping K-Love on the air! It's soooo needed in today's world, it's a great blessing to a lot of people.
